

Women Find POWER for a Third Time in the West Valley

VALLEY OF THE SUN: “Women of all types and backgrounds throughout the state will be encouraged, inspired and educated at the **Third Annual POWER Women’s Conference and Networking Expo,**” says Cheryl Street, Co-Chair of the 2008 event. This year the Surprise Regional Chamber of Commerce is honored to announce three outstanding media sponsors assisting with this powerful event: *Republic Media, Arizona Woman Magazine* and *Northwest Valley Newspapers*. The Conference & Expo will be held at the luxurious Renaissance Glendale Hotel & Spa and Convention Center in Glendale, AZ which features 25 meeting rooms, 21,000 square feet of pre-function space, 30,000 square feet devoted to the media center, a full-service business center, 320 non-smoking guest rooms, and a full service spa. The entire hotel and Convention Center are uniquely designed in rich colors inspired by the desert sunsets and splashed with contemporary accents and furnishings -- perfectly suited to the unrivaled urban neighborhood of Westgate.

Against this commanding backdrop, women interested in health and wellness, balance and business development will gather for the all-day program scheduled for Friday, October 3, 2008 from 8 a.m. - 7 p.m. The POWER Women’s Conference will feature a motivational Welcome breakfast, thought provoking Keynote Luncheon, informative breakout sessions, and networking Expo. “Balance is the key to managing a career and home life,” continued Street. “This conference will offer real-world solutions to juggling all of the responsibilities that challenge modern women.”

The POWER Networking Expo, immediately following the conference, is open and FREE to conference attendees as well as the public. This event offers men and women an opportunity to meet valuable contacts and get information on Arizona business products and services important to women.

Admission to the all-day conference is just \$129 for non-members or \$99 for local West Valley Chamber Alliance Members. For more information, visit www.powerazwomen.com.
